Does this apply to our commercial properties as well?

Jimmy Han

Dear Board Members,

As most of you have discovered, the roll-out of RecycLA's Waste Hauler Franchise Program has greatly increased rates of commercial property owners and multifamily dwellings in our district. In December, I was told that the BIDs also needed to contract with the 7 companies that were awarded contracts in the program. Good News! Commissioner Repenning of the Board of Public Works and Dan Meyers from LA Sanitation, agree that because we do not remove commercial trash, only public trash, we do not fit within the parameters of the REcycLA program.

BIDs do not need to contract with one of the 7 waste haulers from the RecycLA Program. We do need to use an approved Hauler from this list <http://rdms.lacity.org/report/cache/HaulerList.pdf> to haul away trash. This should allow for some room to negotiate rates.

Thank you for all of your feedback over the past month.

Thank you,
Michael Russell
